geraldkoh987 When the sun's rays aren't too intrusive, a partial tint as compared to a full block out on my Transitions® Lenses keep me in good effortless view of my surroundings. Exactly what happened the last time I was at the Bamboo Forest in Kyoto ☺

Wanna own a pair of Transitions® Lenses fitted eyewear worth USD\$800 for yourself?

Plus winning a trip for 2 to New Zealand or travel vouchers worth up to USD\$1,500 just cos you're already putting some thought into this..... I know right?! NZ!

Just tell me how Transitions® Lenses has/can enable you to celebrate Life In The Best Light and pursue your passions by posting on your public Instagram
